

## Capabilities Statement:

### INDUSTRIES:

- Automotive
- Transport
- Hydraulics
- Pneumatics
- Medical & Corporate furniture
- Electrical
- Security
- Seating & Staging
- Construction & Fastening
- Shop Fitting
- Mining
- Agriculture

### CAPABILITIES:

- Medium to high volume production
- Turning up to 600 mm diameter
- Turning up to 1600 mm length
- Broaching
- Milling and slotting
- Cross drilling and tapping
- Non-concentric work
- Integrated assembly work
- 5 Axis Turning
- Plasma Cutting up to 80mm thick
- 4 Axis Plate Milling
- Welding & Assembly

### MATERIALS AVAILABLE:

- Mild & Stainless Steels
- Brass
- Bronze
- Copper
- Aluminium
- Plastic
- And more, just ask!

### MACHINES:

- Miyano CNC Turning Centre
- Tornos CNC Sliding Head Turning Centre
- Quicktech CNC Turning Centre x 3
- Mori Seiki CNC Turning Centre x 9
- Doosan CNC Turning Centre
- Doosan CNC Milling Centre x 2
- Hyundai Kia CNC Turning Centre x 2
- Jinn Fa CNC Turning Center
- Pierce RUR 3500 High Precision Plasma Cutter
